¹ Data refer to all persons (regardless of years of tenure on lost job) who had lost or left a job between January 2003 and December 2005 because of plant or company closings or moves, insufficient work, or the abolishment of their positions or shifts.

² Total includes a small number of unpaid family workers and persons who did not report occupation, industry, or class of worker.

³ Data not shown where base is less than 75,000.

NOTE: Estimates for the above race groups (white, black or African American, and Asian) do not sum to totals because data are not presented for all races. In addition, persons whose ethnicity is identified as Hispanic or Latino may be of any race and, therefore, are classified by ethnicity as well as by race.
